I hereby certify that the instrument is
correctly recorded in the County of Centre
County, Pennsylvania, on this day of
February, 2001, at 1:43 PM.

001145

WHEREAS, Gulf USA Corporation, the owner of a certain tract of land in Snow Shoe Township, Centre County, Pennsylvania, intends to create and record an approved subdivision known as Hicklen Ridge and does hereby adopt the following covenants and restrictions:

COVENANTS AND USE RESTRICTIONS:

The following restrictions and covenants shall apply to lots 2 thru 28 conveyed in the recorded plat plan and shall run with the land and shall be binding on all parties having or acquiring any interest in the land after Gulf USA Corporation.

1. USE: All lots are intended for seasonal, recreational, and hunting use. No commercial use is permitted except for the rental of the lot owner's facilities for seasonal, recreational, or hunting use as well as attendant uses of timbering and mining. As per county regulation this is a "seasonal-use only" subdivision intended to be used not more that 180 days per year, or be used as the occupant(s)' "principal" or "primary" residence (lots 2 – 28 only). This restriction is necessary since, at this time, no electricity is available and the private road system serves more than seven (7) properties. Should electricity become available to those parcels along township roads or should any parcels be so subdivided as to meet future requirements for residential or other uses under the existing subdivision requirements at that time the deed reservation of Gulf USA shall cease.
2. STRUCTURES: Structures shall be permitted on each lot, but limited to one cabin, lodge, or cottage; one private garage or storage shed, and one privy. Approval for additional structures must be in writing from the Property Owner's Association for the subdivision. Building permits, if needed, are the responsibility of the lot owner. All structures erected on any lot shall have a quality exterior finish. Tar paper, tarred shingles, plywood, particleboard or similar materials are not allowed as exterior siding. Any cabin, lodge, or cottage constructed shall have a minimum of 500 square feet of interior floor area. All structures erected on any lot shall be promptly and expeditiously completed, as to their exteriors, within 12 months after construction is commenced.

3. **TRAILERS AND TENTS:** Trailers and tents are permitted, but limited to camping and travel trailers and tents only. These are recognized for temporary recreational use in lieu of a permanent dwelling structure, and shall not be kept on any lot for such use for a continuous period in excess of 180 days, or in excess of 180 days in any calendar year.
4. **FURTHER SUBDIVISION:** No further subdivision of these lots is permitted (except lots 1 and 2). Lot additions, changes between lot lines, and similar reconfigurations shall be permitted without any need for approval by the Property Owner's Association; subject to compliance with all applicable Township, County, and State Laws and Ordinances.
5. **SETBACKS AND SIDEYARDS:** Any building erected on any lot shall be setback not less that one hundred fifty (150) feet from road center line/property line and not less that one hundred (100) feet from any other exterior lot line. This restriction may be waived by Developer in special cases where topography presents an obstacle to meeting said setbacks; however, in no case shall the building setbacks be less than the minimum Snow Shoe Township Zoning Ordinance standards.
6. **EXTERIOR APPEARANCE:** Each lot and all improvements thereon shall be maintained by the owner so as to present a neat and attractive appearance at all times. No unregistered motor vehicles, vehicles which do not have a current inspection, junk, or debris shall be stored on the premises. Should any improvements on the premises be damaged by casualty, or become unsightly through wear and tear, the same shall be promptly razed, or restored to a neat exterior appearance. No activity shall be permitted on any lot which may be or become an annoyance to other lot owners. No owner shall build or re-grade so as to interfere with the natural drainage of surface water, if any, without installing suitable drainage facilities, adequate to handle seasonal water run-off, and so designed as to discharge water from the lot in the same area and direction as would have naturally occurred before such improvements.
7. **SIGNS:** Signs are permitted but limited to one, indicating the name of the owner or camp. Its size shall not be more than nine (9) square feet in area. Real Estate For Sale signs of temporary nature shall meet same size requirements and may be in additions to the sign noted above.
8. **WATER AND SANITARY FACILITIES:** All sanitary facilities and private water supplies shall conform to all applicable Federal and State laws and local ordinances. Design, construction, and maintenance of water and sanitary

construction, and maintenance of water and sanitary facilities shall be the responsibility of the lot owner.

9. **PROPERTY OWNER'S ASSOCIATION:** Each lot owner shall be a member of the Hicklen Ridge Property Owner's Association for the subdivision and shall be governed by its by-laws.
10. **ROADS:** Each lot is subject to any right-of-way as shown on the recorded plat plan of the subdivision. Each lot owner is granted the right to use any and all roads and right-of-ways that are under the control of the Property Owner's Association and shown upon the recorded plat plan. The Property Owner's Association shall be responsible for all private road maintenance. The private roads will not be maintained by Snow Shoe Township unless such roads are dedicated to public use and accepted for public use by the Snow Shoe Township Supervisors.
11. **SOURCES OF WATER:** Where intermittent or permanent streams lie within fifty (50) feet of any lot line, adjoining lot owners shall be allowed to access said sources to hand carry water for their use.
12. **NOISE:** Attempts shall be made by all lot owners and guests to minimize excessive noise which would impact on other parties enjoyment of their properties. All motorbikes, ATVs, and snowmobiles must be properly maintained or their use will be terminated. The Property Owners' Association has the right to suspend the use of said vehicles on any lot, and fine the lot owner involved.
14. **TERMS:** The covenants and restrictions as set forth herein shall run with and bind the land. The Property Owner's Association shall have the right to amend the covenants and restrictions in the manner provided for in the bylaws of Property Owner's Association.
15. **INVALID PROVISIONS:** Each and every provision contained herein shall be considered to be independent and separate, and, in the event that any one of more shall for any reason be held to be invalid and unenforceable, all the remainder thereof shall remain in full force and effect.

In witness whereof, Gulf USA Corporation has caused these covenants to be executed this 28th day of December, 2000
